ALBUQUERQUE, NEW MEXICO

NOV 10 2021

to: district clerk of court,

MITCHELL R. ELFERS  
CLERK

from: michael j nissen

case no: 1:21-cv-00505-jb-smv; 1:19-cr-00077-jb

district clerk of court,

i am addressing this letter of concern to you according to procedural due process of law from the fed. r. civ. p. rule 5.1 and fed. r. of app. p. rule 44 concerning a constitutional challenge to federal statute in regards to 28 u.s.c. § 2403, this rule is now found in the rules of a majority of the courts, it is in response to the act of august 24, 1937 (28 u.s.c. § 2403), which requires all courts of the united states to advise the attorney general of the existence of an action or proceeding of the kind described in this rule,

notes of advisory committee on 2002 amendments, rule 5.1 and rule 44 requires that a party who "questions the constitutionality of an "act of congress" in a proceeding in which the united states is not a party must provide written notice of that challenge to the clerk, rule 5.1 and rule 44 is designed to implement 28 u.s.c. § 2403(a) which states that:

"in any action, suit or proceeding in a court of the united states to which the united states or any agency, officer, or employee thereof is not

a party wherein the constitutionality of any act of congress affecting the public interest is drawn in question, the court shall certify such fact to the attorney general ... and shall permit the united states to intervene for argument on the question of constitutionality, this notice of constitutional question will ensure that the attorney general is notified of constitutional challenges and has an opportunity to exercise the statutory right to intervene at the earliest possible point in the litigation, the courts certification obligation remains, and is the only notice when the constitutionality of a federal or state statute is drawn in question by means other than a party's pleading, written motion, or other paper.
